

Dear Student and Parent/Guardian,

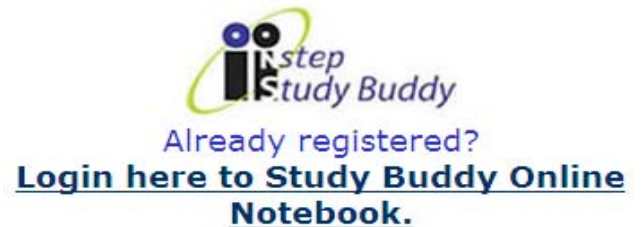

Congratulations for signing up for free math homework help!

Here's how to get started:

- 1) Log onto our website:

www.studybuddyhelp.org

- 2) Click this link on the right side of the screen to login to your online notebook.

- 3) Enter your email address and password.
Your password is your last name!
- 4) You will be placed into your online notebook. Please read the pre-loaded pages in your book. You will have to complete a few simple tasks introducing you to the online notebook. On the last pre-loaded page you must read and sign the **Tutee Code of Conduct**.
- 5) You're now ready to begin with a tutor! Click "**Choose a Subject**" at the top of your notebook in the "**Request a tutor**" button to pull a live tutor into your notebook.
