

Entering your Tutor Reference Code

Welcome to Study Buddy! Your teacher has selected you to be an online tutor and given you a reference code. Please follow the steps below to register yourself and begin tutoring today!

I. Go to the NSTEP homepage

You will begin on our homepage: www.nstep-online.org

At the top of this page, click on the “study buddy” button on the toolbar.

You will then notice two large buttons in the middle of the page. Click this one!

II. Enter your Registration Code

You may now enter your code in the box and click the blue register button.

If You Have A Reference Code

Your teacher contact should have given you a reference code. If you have that code, enter it below and click register.

Reference Code

Fill out the form and click at the bottom of the screen. You are now officially registered. Thank you for your participation!
